

UNITED STATES DEPARTMENT OF EDUCATION
WASHINGTON, D.C. 20202

January 1990

GEN-90-5

Dear Colleague:

Enclosed is the 1990 Winter Training Calendar, which lists student financial aid training offered by state agencies, professional associations, and other student aid-related organizations. These calendars are sent three times a year to financial aid administrators, fiscal officers, and TRIO directors at all participating Title IV schools.

The calendar lists training sessions that will be conducted around the country during the months of January through April 1990. Further information on these and similar activities that may be scheduled at later dates may be obtained from the contact listed for a given session or from the sponsoring associations and agencies.

We strongly encourage you to take advantage of all training activities that will assist your institution in the effective management of student assistance programs. We are pleased to provide these calendars through the cooperation of the agencies, associations, and organizations involved.

We hope that this information will be useful to you in your staff development efforts.

Sincerely,

Roberta B. Dunn
Deputy Assistant Secretary for
Student Financial Assistance

William L. Moran
